Dear

The XIV Olympic Games are now drawing to a close, and before you depart I wish to thank you for the valuable services you have rendered me when I have been acting as Chief Time Keeper.

The unselfish individual effort welded into the whole, represents the true team spirit, without which these contests would not have been possible.

May you take back with you the satisfaction that you have done a good job for the benefit of the Sports folk of all Nations.

Yours sincerely,

Telephone
